Celebrate bonfire night in style at Dunsden Village Hall

The newly refurbished hall will be at its best on Friday, October 26, 18.00 – 21.00 for the annual bonfire night. This popular family event has much to offer compared to the overwhelming commercial displays seen elsewhere. There will be a blazing bonfire, professional fireworks from local company, [Sonning Fireworks](#), hot dogs, tuck shop and bar serving Loddon ales, wine, soft drinks, etc. helping raise to funds for further hall improvements. Entries are also being accepted for the best carved pumpkin. Come along and enjoy a great evening. Reasonably priced family and individual tickets are now available [online](#) and at Binfield Heath Stores. Ticket prices on the day will be higher.

The Spook Walk

Come and join for a night of frights, Fri, 2 November, 6 – 8 pm. Everyone is welcome. Meet at the Scout Hut, Binfield Heath.

It's a major fundraiser for 1st Shiplake Scouts and happens at Halloween. Children and adults pay to go on the Spook Walk which takes you on a loop walk from behind Orwells to the well at Binfield Heath and back to the Scout Hut on the footpath alongside the field. The walk is "bedecked" with spooky things, with Scouts positioned en route to provide yet more spookiness!

Groups of up to about 10 people leave at 10 min intervals, so it's important to book ahead as you will be given your start time. Starting at 6pm in the dark. It's always lots of fun, the Scouts love spooking everyone and (as a rule) everyone loves being spooked!

Advance price tickets: Adult £8 and Child £6. Please book in advance, to help us plan. For tickets and info: Marian.parker@hotmail.com on 079699 24324 or eliza-5@live.co.uk on 07717 115893 .

Spot the culprit!

You must have all seen it - all the way from Playhatch roundabout up to the Village shop and then left down towards Coppid Hall. Flytippers have been ditching black bags with broken plasterboard every 50 meters. Hard to identify them but it would be great to catch them one of these days. A photo of their car reg could be the answer if anyone gets a chance 😊. This matter has been reported to SODC. Click on [SODC](#) to see what can be reported, incl potholes.
