

Binfield Heath Parish Neighbourhood Plan

Update 2: November 2021

Just to keep you in the picture . . .

. . . we need your help!

Hello everyone. This is to keep you up to date on where we are with the Neighbourhood Plan. We have reached the stage where we need to assess the landscape around the parish and we would like your help.

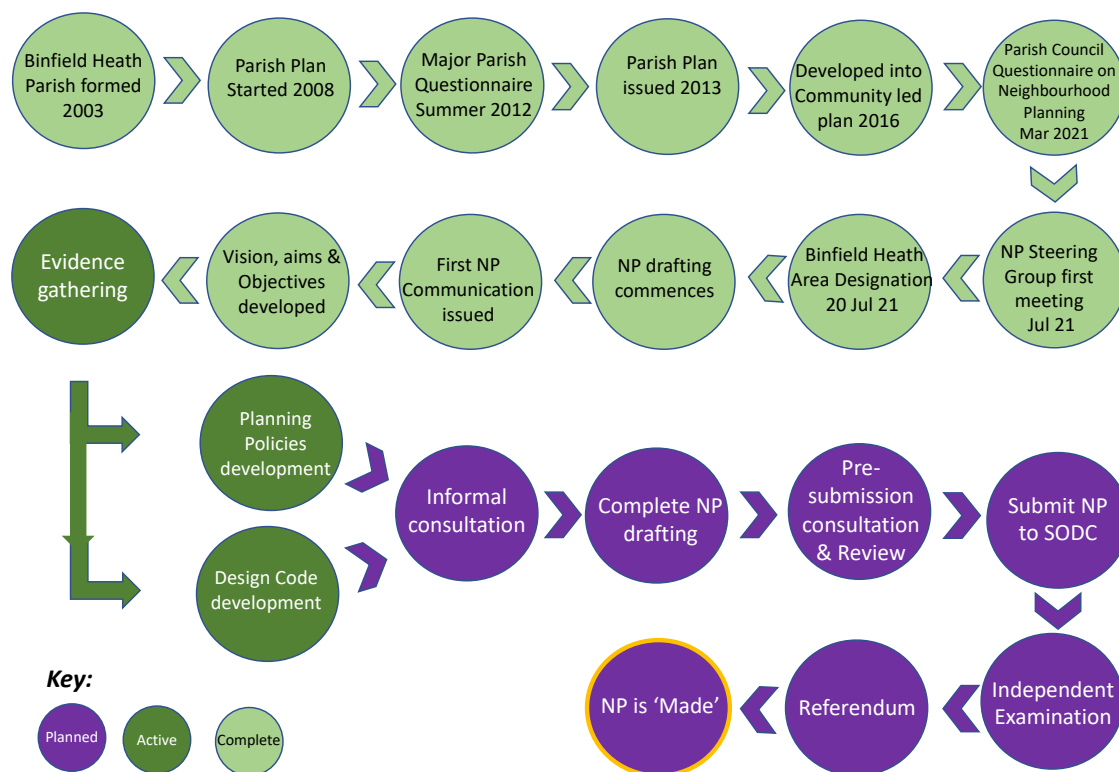

Please could you send us your pictures of – and/or comments about -- your favourite views and places in and around Binfield Heath and Crowsley. This will help us produce a “Landscape Character Assessment” which becomes part of

the Neighbourhood Plan. Comments and pictures, saying where they are, should go to BinfieldHeathNeighbourhoodPlan@gmail.com

When the plan is adopted by South Oxfordshire District Council it can influence planning matters in the parish. When asked, villagers said their priorities are preserving open spaces and green gaps; the size, style and location of new houses; supporting the post office, shop and local pubs and restaurants; and including the entire parish in the Chilterns Area of Outstanding Natural Beauty.

Since we started in March there has been steady progress. Initial funding has been approved and apart from the landscape survey we are now working on planning and design policies, and a history of the parish. Once they make sense (fingers crossed), we will hold an exhibition in the New Year.

Here is a chart to show where we are so far:

Best wishes, Binfield Heath Neighbourhood Plan Steering Group:
